

INTRODUCING THE 1oz HUMMINGBIRD, A SINGLE MINE ORIGIN GOLD COIN

2018 will bring the arrival of the “1oz Hummingbird” – a Single Mine Origin (‘SMO’) pure gold coin, originating from the Yanfolila Gold Mine in Mali.

The 1oz Hummingbird will be part of a collection of seven coins to be launched officially in 2018, offering the rare opportunity to own an item of SMO gold. In line with equator principles, each coin will seek to exemplify Hummingbird’s commitment to quality and best practice; for every ounce of gold Hummingbird produces from the Yanfolila Gold Mine we will be investing in our community-based projects across West Africa. To read more on Hummingbird’s dedication to sustainability, please click [here](#).

The 1oz Hummingbird is intended to be a collectable coin minted with the portrait of Musa I of Mali, the richest man in history. The collection will comprise of six other coins representing our industry, journey and company values: Explore; Develop; Mine; Produce; Community; and Conserve. Full sets of seven gold coins will be presented in a commemorative box and all coins will be priced based on the spot gold price at the time of purchase. Hummingbird is prepared to purchase any sold coins directly back from the customer for 98% of the spot gold price at the time of the re-purchase.

If you are interested in purchasing a coin or the collection, please register your interest as soon as possible at <http://hummingbirdresources.co.uk/coins>.

Each coin will be crafted from 1oz pure gold from the Yanfolila Gold Mine in Mali. We intend to commence sales in Q1 2018, with first delivery of coins targeted by end of H1 2018. Full terms and conditions will be circulated in due course when the coins are officially for sale.
